Commission for Social Development
Forty-sixth session
6-15 and 22 February 2008
Agenda item 2
Adoption of the agenda and other organizational matters

Draft resolution submitted by the Vice-Chairperson of the Commission, Mr. Ignacio Llanos (Chile), on the basis of informal consultations

The Commission for Social Development recommends to the Economic and Social Council the adoption of the following draft resolution:

"Future organization and methods of work of the Commission for Social Development

"*The Economic and Social Council*,

"*Recalling* its resolution 2005/11 of 21 July 2005 on the future organization and methods of work of the Commission for Social Development, in which the Council requested the Commission review the functioning of the two-year review and policy cycle in order to ensure that that approach enhanced its effectiveness and functioning,

"*Further recalling* its resolution 2006/18 of 26 July 2006, in which the Council noted the usefulness of identifying the themes for the 2009-2010 review and policy cycle during the forty-sixth session of the Commission,

"*Noting* that the Commission discussed the priority theme of 'Promoting full employment and decent work for all' at its forty-fifth and forty-sixth sessions, as the first of the core themes of the World Summit for Social Development addressed under the two-year review and policy cycle,

"1. *Reaffirms* that discussing one core issue as contained in the outcome document of the World Summit for Social Development over a two-year period allows the Commission to go into greater depth by also addressing related cross-cutting issues, emerging issues and linkages with other issues relevant to the theme under discussion;

"2. *Decides* that the priority theme for the 2009-2010 review and policy cycle should be 'Social integration', taking into account its relationship with poverty eradication and full employment and decent work for all;

08-24364 (E) 200208

"3. *Recognizes* its decision, in resolution 2006/18, in which it decided to discuss each of the core themes of the World Summit for Social Development — poverty eradication, full employment and social integration — under the two-year review and policy cycle;

"4. *Notes* the usefulness of identifying the theme for the 2011-2012 review and policy cycle during the forty-eighth session of the Commission;

"5. *Decides* that the Commission should maintain the two-year review and policy cycle until its fiftieth session and that it should continue to keep its methods of work under review."
